Do the people of the state of Missouri want to adopt Senate Bill 19 ("Right-to-Work") as passed by the general assembly in 2017, which prohibits as a condition of employment the forced membership in a labor organization (union) or forced payments of dues in full or pro-rata (fair-share); make any activity which violates employees' rights illegal and ineffective; allow legal remedies for anyone injured as a result of another person violating or threatening to violate employees' rights; and which shall not apply to union agreements entered into before the effective date of Senate Bill 19?
